

Furniture, interiors & metalwork

2026

Made for the way spaces are lived in.

Woodwey creates custom furniture, complete interior solutions and architectural metalwork for homes, offices, workspaces, hospitality and commercial environments. Every reference is a starting point: proportions, materials and finishes are tailored to the project.

This is not a retail price list. Final specifications, quantities, timelines and quotations are developed after consultation.

18 curated references / Custom furniture / Interior solutions / Metal works / Project execution

CORPORATE / RECEPTION FURNITURE

Welcome Desk

A composed reception point designed to welcome, organise and quietly conceal everyday operations.

DESIGNED FOR

Corporate / Hospitality

Dimensions, storage and identity details tailored to the site.

OFFICE / EXECUTIVE DESKS

Executive Work Desk

A confident work surface with integrated storage, cable access and a restrained architectural profile.

DESIGNED FOR

Office / Corporate

Layout, worktop and storage configuration made to order.

CORPORATE / TABLES

Boardroom Table

A generous meeting table that gives collaborative rooms a clear centre of gravity.

DESIGNED FOR

Corporate / Office

Scale, power access and finish developed around the room.

WORKSPACE / WORKSTATIONS

Focus Workstations

An adaptable workstation family planned for focused teams, efficient circulation and useful personal storage.

DESIGNED FOR

Workspace / Office

Cluster size, screens, storage and cable management configured per team.

HOME / TV CONSOLES

Linear Media Console

Low, precise storage that anchors a media wall while keeping technology and cables out of sight.

DESIGNED FOR

Home / Hospitality

Length, compartments and wall integration tailored to the setting.

INTERIORS / BUILT-INS

Kitchen System

A fitted kitchen composition balancing practical storage, clean work surfaces and a calm material rhythm.

DESIGNED FOR

Home / Interiors

Cabinet plan, worktops and internal storage resolved for each space.

HOME / WARDROBES

Wardrobe Wall

Full-height fitted storage designed as part of the architecture rather than an addition to it.

DESIGNED FOR

Home / Interiors

Internal divisions, doors, lighting and finishes made to brief.

DINING / DINING TABLES

Dining Collection

A warm table-led setting designed for long conversations, shared meals and everyday gathering.

DESIGNED FOR

Dining / Home / Hospitality

Table dimensions, seating and finish selected around the occasion.

HOME / STORAGE

Nursery Storage Suite

Softly detailed storage
and display elements
shaped for a calm,
organised children's
room.

DESIGNED FOR

Home

Storage mix, safety details and finish adapted
to the room.

INTERIORS / BUILT-INS

Architectural Media Wall

A complete wall composition that brings media, concealed storage and architectural detailing together.

DESIGNED FOR

Home / Interiors

Proportions, lighting and integrated storage resolved on site.

CUSTOM / STORAGE

Custom Storage Wall

Made-to-measure storage that uses difficult walls, corners and circulation spaces with purpose.

DESIGNED FOR

Custom / Office / Home

Every elevation, opening and internal division is project-specific.

OFFICE / EXECUTIVE DESKS

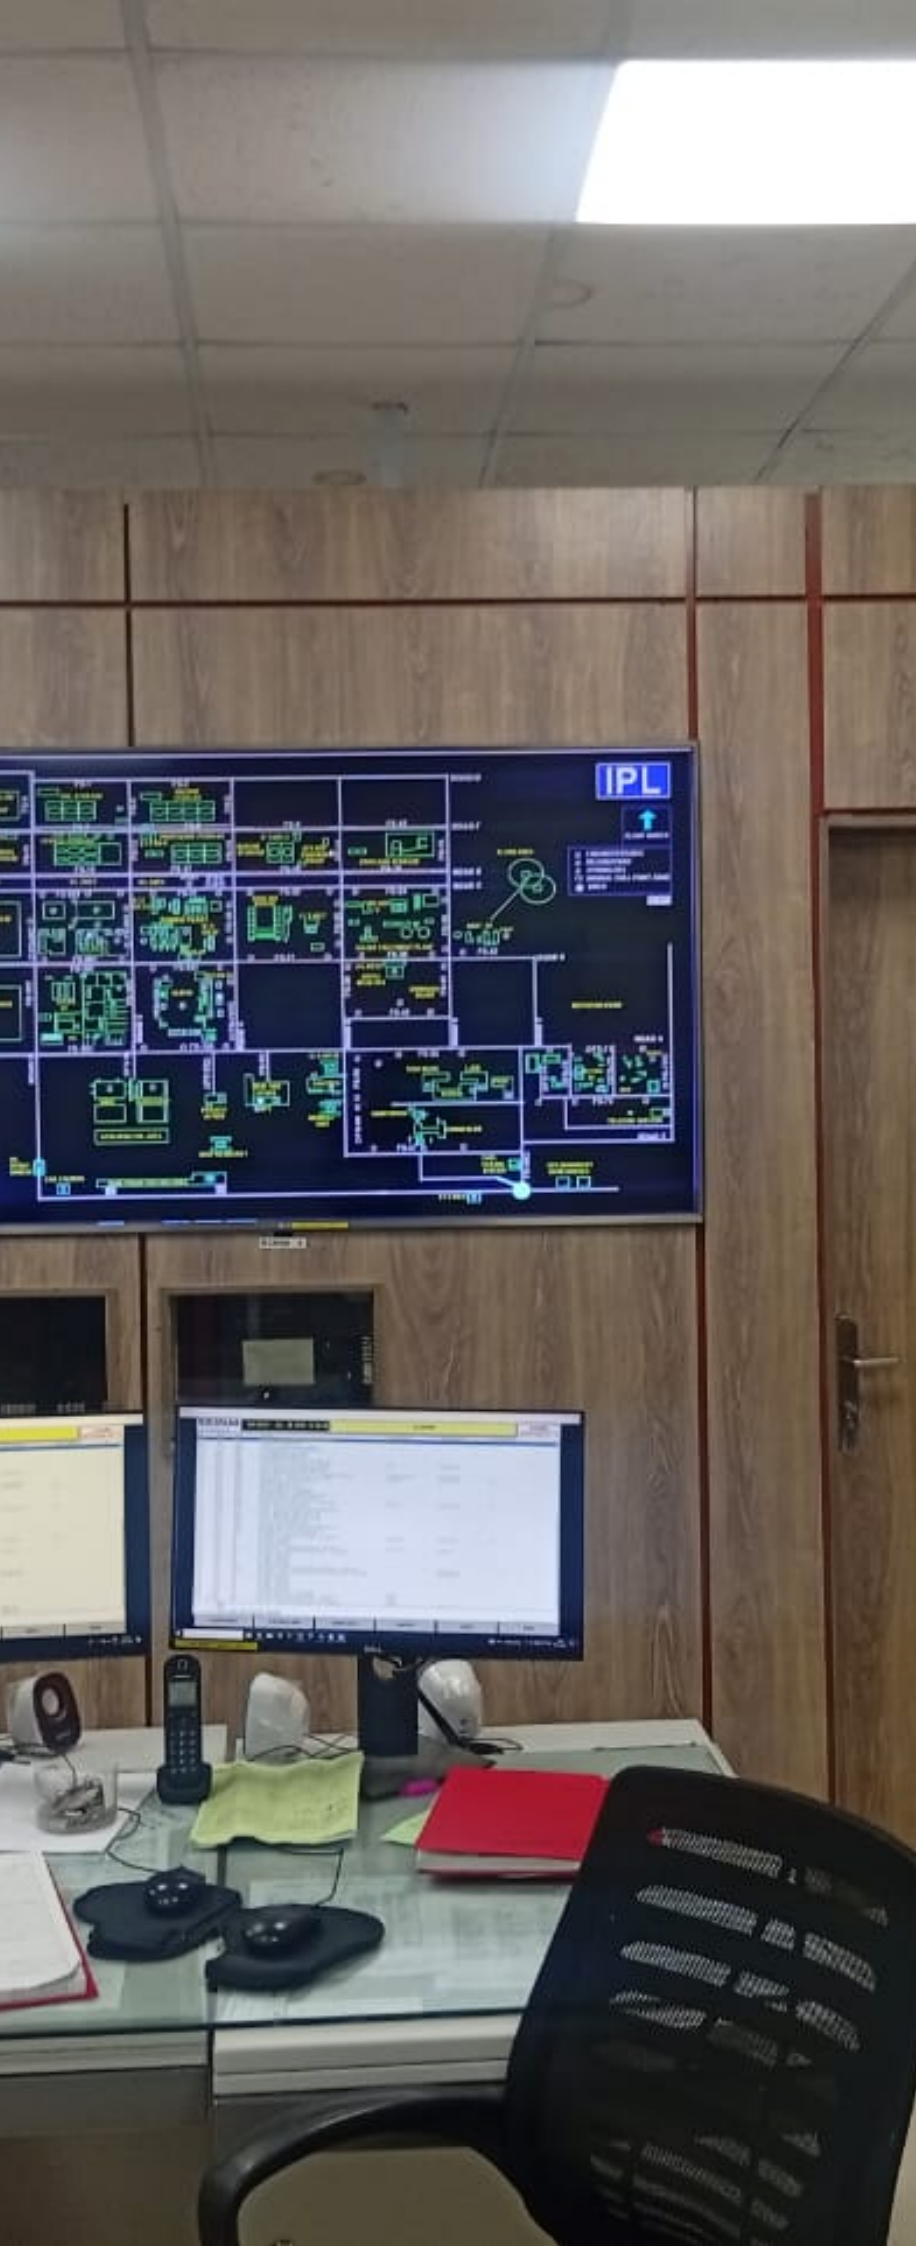

Executive Office Suite

A coordinated workspace bringing desk, meeting surface and fitted storage into one considered room.

DESIGNED FOR

Office / Corporate

A complete furniture and fitted-storage response to the office.

WORKSPACE / WORKTOPS

Control Worktop

A durable technical worktop composed around screens, equipment, access and continuous team use.

DESIGNED FOR

Workspace / Corporate

Equipment clearances, access panels and cable routes coordinated to use.

INTERIORS / RECEPTION FURNITURE

Reception Interior

A complete arrival space
where fitted furniture,
light and material
establish a confident first
impression.

DESIGNED FOR

Corporate / Interiors

Furniture, wall elements and installation
delivered as one composition.

CORPORATE / TABLES

Conference Table

A long-format collaborative table with integrated service access and a quiet, monolithic presence.

DESIGNED FOR

Corporate / Workspace

Length, base construction and service access developed to order.

METAL WORKS / CUSTOM GATES

Architectural Entrance Gate

A wide-format entrance gate where robust fabrication, controlled proportions and a dark ribbed finish become part of the architecture.

DESIGNED FOR

Residential / Commercial / Exterior

Opening, frame, infill pattern, finish and operating system developed for the site.

METAL WORKS / CUSTOM GATES

Ribbed Sliding Gate

A clean, full-width gate whose close vertical rhythm combines privacy, security and architectural restraint.

DESIGNED FOR

Commercial / Residential / Exterior

Opening, rib spacing, operating system and protective finish developed for the site.

METAL WORKS / CUSTOM GATES

Louvred Entry Gate

A tailored steel entrance
balancing solid planes
and ventilated louvres in
a quiet, durable
composition.

DESIGNED FOR

Residential / Commercial / Exterior

Dimensions, pedestrian access, hardware
and coating specified around security and
daily use.
